

How to: Sync your Asimut Calendar

Asimut allows you to have all your timetable and bookings to appear in your calendar which can be viewed easily on your mobile device or online calendar.

To do this please follow the steps to make your timetable and bookings even more easier to access.

Steps:

- Log in to the system, using your Unimelb username and your Asimut password.
 - Please note you will not be able to sync your calendar via the Mobile Site
- Click on **Calendar feed** located in the menu

- In this window, select your preferred application from the **Show steps to set up...** dropdown list to see the relevant instructions:
